1. Our schedule is: Monday, Tuesday, Thursday, Friday 8:30-3:00; Wednesday 8:30-12:30, with sixth, seventh and eighth grades running until 3:00 on Wednesday.
2. Parents are responsible for transportation to and from school. There are many carpools and we will help in any way we can. The PVTA (Pioneer Valley transit Authority) bus may be helpful for older students.
3. Parents provide lunch and snack daily. Hot lunch can be ordered through the school. Income-eligible families may apply for free or reduced-price school lunches.
4. We have an all-school gathering every Friday at 8:45. This is a time for students to share their learning with peers and family and for all of us to sing together. Everyone is welcome.
5. We have a daily 30-minute recess period, weather permitting. We have a play structure and a climbing wall and we use the parking lot right outside our door for recess. We encourage non-competitive, cooperative games.
6. Parental involvement is key to the school's success. We encourage parents to be involved in any way that works for them and can always find a way to plug folks in.
