<b>Topic</b>	<b>Discussion</b>	<b>Action (if necessary)</b>
<b>Announcements/ Appreciations/ Acknowledgements</b>	<u>Announcements:</u> Dan announced that he will be retiring at the end of June. He will send a letter to the HCCPS community after the meeting. Tim announced that the BOT would work on a letter from the BOT to the community to send following Dan’s letter.  <u>Appreciations/Acknowledgements:</u> Karen and Tim appreciated the job Seanna did with the Solstice Celebration.  Kelly appreciated all of the work that Carol and Greg put into Ski Club, which started today.	
<b>Any thank you notes needed?</b>	None	
<b>BOT Visibility this month?</b>	The Open House will be on January 25th from 1:00 p.m. to 3:00 p.m. The school is looking for people to lead tours. Paula asked if students could attend the Open House and play a role in the event. The	

	Directors said yes and Dan will talk with the Purples and Prisms about it.	
<b>Minutes</b>	<p>Under “2019 MCAS Report,” Lara removed the following sentence from the draft minutes, because the percentages did not match the report: “HCCPS was at 66% for ‘meeting expectations’/‘exceeding expectations’; the state average was 58%.”</p> <p>Under “Expansion Review/Completion of LRP,” Lara changed the word “field” to “domain” in the second to last paragraph.</p>	Tim moved to approve the minutes as amended; Joe seconded; the amended minutes were approved by consensus.
<b>Public Comment Period</b>	None	
<b>Expansion Review (Lara)</b>	Lara went through the School Expansion Evaluation 2020 handout, which includes: a timeline for the evaluation (the goal is to share the findings with the community by April 30th); the structure of focus groups that will be facilitated by a consultant; and content categories for the focus groups, surveys, and a community meeting. Tim suggested and the BOT agreed that there be updates at the next two BOT meetings. Tim suggested the inclusion of a 5th grade focus group. There was a discussion about the applicant pool and statistics related to the 6th-8th graders.	Domain Council will put updates about the Expansion Review on the agendas for the February and March BOT meetings.
<b>Admissions (Dan)</b>	The Admissions Open House is being moved to a weekend (in the past it has always been on a weeknight) to make it more available to families. All teachers are expected to come (it is counted as one of the professional days in the teachers’ contracts). Families will be able to come in and take a tour or meet with teachers. There will be two short information sessions in the All-School Space and the Directors will remain there all evening to answer questions. SEPAC will set up an area to talk to families about special education at HCCPS. There	

	<p>will be a posting in the Gazette and notices will be sent to the two Head Start locations in the area (the Directors will follow up with Head Start after). Notices will also be sent to the local family centers and the Center for New Americans. Joe raised the possibility of entering everyone from an underrepresented district into the lottery. Tim suggested that the BOT discuss this idea in more detail at another time.</p>	
<b>Charter Renewal (Dan)</b>	<p>The school received DESE's summary of review of the charter renewal process. It was largely positive and was primarily a summary of HCCPS's renewal application. By January 14th, the Commissioner will make and communicate recommendations and then the Board of Education will vote on it.</p>	<p>Dan will notify the BOT when the Commissioner makes his recommendation.</p>
<b>New Business</b>	<p>The BOT worked on a letter to the HCCPS community about Dan's retirement announcement. BOT members gave several suggestions and agreed that the letter should express our sadness that Dan is leaving, our appreciation, gratitude, and happiness for him, and that we are confident there are procedures in place to provide for an orderly succession. It was agreed that decisions about next steps will be discussed at the February BOT meeting, so that the topic can be put on the February BOT agenda and proper notice can be given.</p>	<p>The BOT agreed that Tim and Matt will revise the letter in accordance with the suggestions given by the BOT. Domain Council will put on the February agenda the topic of next steps following Dan's announcement.</p>
<b>Committee Reports - Questions only</b>	<p>Paula had a question about the Personnel Committee report regarding the median being used as the data point for comparing salaries. Lara and Dan explained that the median for the first and last steps are used for comparison.</p>	
<b>Meeting Wrap-Up/ Evaluation</b>	<p>Next Meeting: February 12, 2020 at 6:30 p.m.  Facilitator: Tim  Snacks: Matt  Drinks: N/A  Newsletter blurb: Joe</p>

**Personnel Committee Proposal to the Board of Trustees**

**Date:** February 12, 2020

**Priority level:** High

**Approximate time needed for discussion:** 30 minutes

**Proposal to be presented by:** Kelly Woods

**Text of proposal:** The Personnel Committee reviewed the Hiring Process for Directors and found a few places where the text was ambiguous or inconsistent. We propose the changes (highlighted in blue or indicated by strike-through marks) in order to clarify the process.

**Goals to be achieved by proposal:** The goal is to clarify the hiring process for directors.

**Potential problems/dissenting views:** None

## HIRING PROCESS FOR DOMAIN DIRECTOR POSITIONS

*(approved by the Board of Trustees, December 13, 2017)*

The search for a Domain Director is a major decision for the school, and consequently involves a significant outlay of time and energy by Committee members. Those on the Committee should expect to commit to several two hour meetings each month for the duration of the search, which is estimated to involve four to five months. Only individuals able to make this commitment should volunteer for the Committee.

The Board President or designee will chair a Search Committee which will be composed of the following members:

- The Board President or designee ((Under unusual circumstances and with Board approval, the Board President may appoint a designee from the Board of Trustees)
  - A member of the Board of Trustees whose role includes overseeing process and ensuring compliance with hiring policy
  - Two staff members chosen by Board President
  - The two other Domain Directors
  - A parent representative chosen by the BOT President.
1. Mandatory Committee Orientation: The Search Committee meets to determine criteria, discuss the timeline and create or revise interview questions (including a performance task, if the Search Committee deems this necessary) for the first interview.
  2. Begin the hiring procedure for internal candidates: The position will be posted internally and interested and qualified candidates will have ten working days to apply. The committee will interview all internal applicants who meet minimum qualifications. If the committee intends to move the candidate forward, the candidate will be asked to complete the parent, staff, and board interview process. The Committee will recommend one of the following options to the full Board:
    - a) Offer the staff member the position.
    - b) Proceed with the external search process and provide the staff member the option to continue as a candidate. (Move to Step 3, External Position Posting)

c) Not offer the staff member the position (Move to Step 3, External Position Posting)

Once the internal process is complete, the Committee will, when necessary (options b or c above) begin a full process.

3. External Position Posting: The position will be posted for external candidates.
4. Candidate Selection: The Committee screens resumes and selects candidates for Search Committee interviews.

5. Search Committee Interviews: The Search Committee meets with each of the candidates for a 45 minute interview. The same predetermined questions are asked of each candidate with flexibility for clarification and follow up questions. The Search Committee chair selects a committee member(s) to begin checking references as they continue with the process.
6. Selection of Finalists: Based on the initial interviews, the Committee selects finalists who will return to complete the following steps:
  - Parent Interview: Following the orientation meeting (step 1), the parent representative will contact parents to solicit questions for the parent meeting. The Committee will select a set of questions to ask all candidates, and those questions will be shared in advance with finalists. Parents are invited to attend a meeting where the parent representative asks the set of questions to the candidate. Candidates then have the opportunity to ask questions to parents. At the end of the meeting, parents give their written opinions to the Search Committee.
  - Teacher and Staff Interview: All staff members are invited to interview each final candidate for domain director. Part of the interview may include a performance task, created by the search committee, designed as an opportunity to demonstrate a skill required by the position. The candidate is also given the opportunity to ask questions of the teachers for up to 45 minutes. ~~Following these questions, the candidate and a group of 6-8 staff participate in a hands-on problem solving task. The purpose of this step is to see how each candidate participates as a team player and relates to other staff.~~ Staff may give written feedback to the Search Committee.
  - Board of Trustees Interview: Candidates will be interviewed by the Board of Trustees. Search Committee members may observe this step in order to make a fully informed recommendation. Board members give written feedback to the Search Committee.
7. Final Recommendation: The Search Committee reads all written responses and formulates questions for any further references. Following the checking of references, the Committee makes a recommendation to the full Board who makes the final decision. The Committee will operate under the Board of Trustees guidelines for consensus and all discussion shall take place with the full search committee present. If consensus cannot be reached, another meeting will be held to attempt to find consensus. At the close of this meeting, if the Committee is unable to reach consensus a vote will be taken and the vote count will be shared with the Board as part of the recommendation.
8. Board Decision: Board will consider the recommendation and ultimately decide whether to offer the position or put it back to the Committee to review again in the Final Recommendation phase (Step 7). If the search is considered unsuccessful the committee will return to Step 3, External Position Posting, in order to restart the process.

*Any change to this policy requires Board of Trustee approval.*

**Domain Directors Report to the Board of Trustees  
February, 2020**

1. We hosted Dr. Liza Talusan to lead our whole-staff professional development workshop last Monday. Her workshop was called, "Identity Conscious Leading and Learning: Building capacity for culturally responsive work." The content included, 1) learn what types of awareness, critical reflection, and consciousness improve our shared school space and our curriculum; 2) learn what distinguishes diversity, inclusion, equity and justice, and 3) practice tools for engaging about topics of identity, race, and equity in education. This PD was funded through the generous efforts of Friends of Hilltown.
2. We have results from the IOWA tests administered in grades 3-8 in December, 2019. Individual results will be uploaded to E-lockers in the Parent Portal. As a school, we excelled in reading, with grade-level averages ranging from 75<sup>th</sup>-85<sup>th</sup> (national percentile). In mathematics, grade-level averages ranged from 69<sup>th</sup>-75<sup>th</sup> (national percentile), while language test averages ranged from 52<sup>nd</sup>-74<sup>th</sup> (national percentile). We did not meet our accountability target, that each grade, 3-8, will score in the top quartile.
3. This year's admissions lottery will be held on February 13. As of February 7, we have 233 applicants. Our system will conduct a random lottery, and families will be informed of their status (accepted or a waiting list number) within a few days of the lottery. We will offer 28 total spots; 20 in Kindergarten, and 8 in Grade 6.

Dan indicated that should the search take longer than expected he will be available to perform some tasks over the summer as needed.	Matt and Tim will meet with the Personnel Committee on January 22 to review the search policy and previous job posting. Contract, days worked	<p>Teachers work 192 days and students go to school for 180 days. Half days count as whole days for students (DOE)..</p> <p>Gaby lets the committee know that teachers are curious about what percentage of the non-teaching days are devoted to professional development and toward maintaining certification and what portion are not necessarily PD (e.g., open house, progress report writing day).</p> <p>Teachers may need to have clarification on the relationship between non-teaching days and professional development days.</p> <p>The way the non-teaching days are allocated is at the discretion of the administrative team and depends on variables such as calendar, curriculum initiatives, and outreach efforts.</p> <p>Sharing a calendar of non-teaching days could be helpful. Lara shared a PD calendar at the beginning of this school year. May send it more often to remind folks.</p>
