The Hilltown Cooperative Charter Public School was founded in 1995 as a Massachusetts Public Charter School. Our mission is:

- To engage students in a school that uses experiential, hands-on activities, the arts, and interdisciplinary studies to foster critical thinking skills and a joy of learning.
- To sustain a cooperative, intimate community of students, staff, families and local community members, which guides and supports the school and its educational program.
- To cultivate children’s individual voices and a shared respect for each other, our community, and the world around us.
